OBJECTIVE

Driven by a strong passion for web development and cutting-edge technologies, I aspire to leverage my expertise in the MERN stack (MongoDB, Express.js, React, Node.js) and Next.js to create scalable, performant, and user-centric web applications. My objective is to contribute to dynamic teams, driving innovation and efficiency in developing seamless solutions for modern challenges. I am committed to continuous learning, adopting best practices, and staying ahead in a rapidly evolving tech landscape.

EDUCATION

Chittagong University of Engineering & Technology (CUET) — *Chattogram-4349*
Bachelors in Computer Science & Engineering
CGPA: 3.54/4.00 (Till Level-3 Term-2) — 2022 – Present
(Currently in Level-3 Term-2)

Notre Dame College — *Motijheel, Dhaka*
Higher Secondary Certificate (HSC) in Science
GPA: 5.00/5.00 — 2018 – 2020

St. Joseph Higher Secondary School & College — *Luxmibazar, Dhaka*
Secondary School Certificate (SSC) in Science
GPA: 5.00/5.00 — 2010 – 2018

TECHNICAL SKILLS

Proficient: HTML, CSS(tailwind,bootstrap), JavaScript, React.js,Next.js Node.js, Express.js, Redux, Context API, Git Version Control, Software Testing, Software Modelling, MongoDB, SQL, DBMS, OOP, Operating Systems, C++

Moderate: Python, Graphics Designing, UI/UX Designing, Computer Networks

Tools: GitHub, Visual Studio, Sublime Text, XAMPP, MS Word, MS PowerPoint, Adobe Illustrator, Figma, Canva

PROJECTS

Mystery Message | Live Site | GitHub
- A modern Full Stack web application built with Next.js enabling users to send and receive anonymous messages.
- Features include unique shareable links, seamless user experience, and server-side rendering for fast performance.
- Inspired by platforms like NGL, fostering fun, curiosity, and open communication.

Talkify Chat App | Live Site | GitHub

- A real-time Full Stack chat application enabling users to add friends, exchange messages, and express themselves using emojis and image sharing.
- Features robust privacy controls, allowing users to block unwanted contacts.
- Combines modern UI design with real-time messaging functionality for an engaging chat experience.

Travel World | Live Site | GitHub
- A MERN stack tour booking web application designed to simplify the travel planning process.
- Includes features such as browsing tours, booking trips, and managing user preferences.

Clickart - Your Ultimate E-commerce Destination | Live Site | GitHub
- A modern e-commerce platform with features like product browsing, filtering, secure Stripe payments, and an admin dashboard.
- The dashboard provides insights into revenue, sales, user analytics, and product management.
- Built to deliver a seamless shopping experience for customers.

Alapcharita - A Social Media Clone | GitHub
- A social networking platform replicating core features of popular social media platforms.
- Enables users to connect, share content, and engage in online communities.

CUET FERIWALA | GitHub
- A client-to-client (C2C) platform where users can sell and buy products in various categories.
- Features include product posting, buyer-seller chat functionality, and an admin dashboard for managing site operations.
- Built to facilitate seamless transactions in a user-friendly environment.

INTERESTS

- **Machine Learning (ML)**: Exploring advanced algorithms and their applications in real-world problem solving.
- **Deep Learning (DL)**: Focused on neural network architectures and their optimization for various domains.
- **Computer Vision**: Developing innovative solutions for image recognition, object detection, and video analysis.
- **Large Language Models (LLMs)**: Researching cutting-edge advancements in natural language understanding and generation.
- **Natural Language Processing (NLP)**: Building systems for sentiment analysis, text summarization, and conversational AI.
- **DevOps Technologies**: Special interest in tools such as Docker, Kubernetes, and cloud platforms like Microsoft Azure and AWS.
- **Computer Networks**: Delving into network protocols, security, and distributed systems.

AWARDS

- **Best Executive Committee Member, Josephite Debating Club**: Recognized for exceptional contributions to the debating club.
- **Math MCQ Star at Udvash**: Awarded for excellence in mathematics multiple-choice competitions.
- **Inter Class Badminton Tournament**:
  - Runners-Up: 2016 (Senior Level)

AFFILIATION

Josephite Debating Club	*Mohammadpur, Dhaka*
Member	*2018 – 2020*
CUET Computer Club	*Pahartoli, Chittagong*
Member	*2022 – Present*

LANGUAGE PROFICIENCY

- **Bangla:** Fluent
- **English:** Fluent

HOBBIES

Gaming,E-sports, Cycling, Exploring new places, Reading Story Books

PERSONAL INFORMATION

Father's Name:	Late Md. Mazharul Islam (**Occupation:** Former Deputy General Manager, Agrani Bank Ltd, Nayapaltan Branch)
Mother's Name:	Farhana Yeasmeen (**Occupation:** HR Executive, Bangla Trac Ltd; **Contact Info:** +8801777829360)
Sister's Name:	Takiya Musarrat (**Occupation:** MBBS, Greenlife Medical College)
Present Address:	13/2, West End Street, Central Road, Dhanmondi, Dhaka-1205
Permanent Address:	13/2, West End Street, Central Road, Dhanmondi, Dhaka-1205
Date of Birth:	18 October 2001
Nationality:	Bangladeshi
NID Number:	5123273129
Religion:	Islam
Marital Status:	Unmarried
Blood Group:	B-
